Links to Resources and Organizations for Transgendered Individuals

As a Professional who has 26 plus years in the Hair Removal, Semi-Permanent & Permanent Makeup, Beauty & Skincare Industry my goal is to help CD's and Transgendered Girls to become all that they can be. I have become very close friends with some of the most fantastic ladies on the planet who are T-girls.. I have found some of the ladies have the biggest hearts and have had it very hard to make changes to become who they always needed to be a woman...I have learned many great things and have gained great personal strength from positive and determined attitudes of some of these women. Teaching me how to overcome whatever life throws at you and becoming successful and happy with my life. I have learned how to trust, have faith, develop personal inner strength and personal will power, to develop a positive attitude, and many other wonderful things to carry in my own life all from these ladies..

So to help you in your journey I have included links to various organizations and support groups specifically for the TGLB community. I hope these will assist you in your journey to find your true self. If you have any organizations you might feel I should consider adding to the list please [E-Mail](#), or call (727) 398-4187 . . .
