Hi, I am Karen Marlise. I have been helping members of the Transgendered community for many years. I know & understand the special needs you have and the desire to quickly address those needs. Whether you are a CD or someone who is transitioning, I will help you along the journey from Hair Removal, Makeup application, Hair selection and Styling, just to name a few of the services I offer the T-girl.

If you have done your homework and researched the education The State of Florida expects from permanent hair removal medical electrolysis, laser hair removal and permanent hair reduction specialists, laser hair removal safety officers, permanent cosmetic makeup artists and laser technicians you will find.
